

21 March 1962

The Honorable Elvis J. Stahr, Jr.
Secretary of the Army
Department of Defense
Washington 25, D. C.

Dear Mr. Stahr:

Thank you for your letter of 16 February 1962 regarding the invitation that I received from the Commandant of the U. S. Army War College to participate in the Eighth Annual National Strategy Seminar.

I have written to General Dunn today to explain that I will not be able to participate in the Seminar this year. I have to be present at the Harvard Commencement exercises this year in my capacity as President of the Harvard Alumni Association, and do not feel that I can be away from the office any additional time in June.

You may be assured, however, of my continued interest in and support of activities of the Army War College.

Sincerely,

Robert A. Mohr, Jr.
Deputy Director, (Intelligence)
